

DRUG-FREE PAIN & ANXIETY MANAGEMENT CERTIFICATION

PROFESSIONAL WORKSHOPS

WWW.EMILEALLENMD.COM

LEARN HOW TO SIGNIFICANTLY IMPACT CHRONIC PAIN AND ALLEVIATE PATIENT ANXIETY WITHOUT THE USE OF PRESCRIPTION MEDICATIONS.

Develop a clear understanding of how psychosomatic diseases are formed and the role you can play in helping diseases go into remission.

Dr. Emile Allen, MD, a Board Certified Master Hypnotist, is the former Chief of Urology and Vice-Chairman of Surgery at Scripps Memorial Hospital, La Jolla, California, and a graduate of Northwestern University Medical School and the University of Iowa Hospital and Clinics Urology Residency Program.

He is an expert in the subconscious mind's ability to create pathology and it's ability to facilitate regression of chronic disease, pain and anxiety. Dr. Allen teaches his unique healing methodologies and 10-Step Process to health care practitioners world-wide.
